Consulting Engineers & Landscape Architects

**PROJECT:**

Toyota Headquarters, UK

**CLIENT:**

Toyota

**ARCHITECTS:**

Nicholas Grimshaw & Partners

**BM SERVICES:**

Environmental and Landscape Design

**VALUE:**

Classified

**DESIGN BRIEF**

Competition entry for a large office complex in Great Burgh, Epsom.

The design was based on a sustainable and ecological ethos. Emphasis was placed on design processes exemplified by the car manufacturing industry, such as prefabrication, attention to detail, flexibility, image and repetition of elements.
